MEMORANDUM FOR: Mr. McGeorge Bundy

**SUBJECT : CIA Action in Response to National
Security Action Memorandum No. 181**

25X1

1. In response to National Security Action Memorandum No. 181, the following CIA officers are designated as the responsible officers for items in which action is assigned to CIA.

Item 2.

Item 4.

Mr. William K. Harvey

Item 5.

Mr. Ray Cline

25X1

2. I have directed the following actions to be initiated:

A.

B.

The Board of National Estimates will establish a procedure to ensure continuing analysis of the numbers and types of Communist Bloc personnel entering Cuba, quantity and types of Bloc equipment and its probable use, and all construction, particularly missile sites.

- C. The Board of National Estimates will prepare an assessment of the physical and psychological dangers to the United States and Latin America of missile installations in Cuba.
- D. CIA will institute immediately a daily publication on Cuban developments to include current intelligence reporting, substantiating evidence, estimative assessments, and coverage of domestic and foreign press. This publication will be distributed to the President, Mr. McGeorge Bundy, Secretary McNamara, Mr. Gilpatric, General Lemnitzer, Secretary Rusk, General Taylor, and the Attorney General.
